WEIGHT CONTROL QUESTIONNAIRE

This form has been designed to assist you in organizing your thoughts regarding what you want to achieve with your customized weight loss program. By first filling out this questionnaire as completely as possible, and then reviewing it with Dr. Reinertson, you will learn what goals are reasonably attainable.

Do you understand the difference between fat loss and water loss?					
What size clothes do you expect to be able to wear when you reach your go	al weight?				
What do you expect from us (your medical counselors)? Be specific:					
Will it change your life in any way (for better or worse) when you reach your	goal weight?				
Do you expect to be doing anything you are not doing now? (Describe in det	ail)				
Do you expect to STOP doing something you ARE DOING NOW? (Describe	e in detail)				
Will you be able to handle compliments about how you look when you are at	t your goal weight?				
Will the "new you" pose a threat to any relationships?" (Please specify)					
How will family and friends respond to the "new you?"					
Do you expect to get a better job?					
Will you get more respect from other people? (Who specifically)					
Will you feel comfortable with these altered responses from others?					
Will you be expected to perform better at work (or at home)? Will you have to be more sociable than you are now?

Continue with professional medical monitoring?					
Do you have any other expectations than those listed above?					
If so, what are they? Please describe them in detail:					

Appointment Cancellation Policy

In an effort to provide the best service possible for all of our patients, we have the following cancellation policy for all appointments:

We request 24-hour notice if you wish to cancel or reschedule your appointment. If you are booked for a major procedure, we request 72-hour notice. This enables us to respond to the higher demand over availability for appointments.

Patients who cancel or reschedule in less than the required time, or do not show for their scheduled appointments, will be charged a \$50 fee since we were unable to offer that time to another patient.

Patients will either be charged the fee at their next visit or in special circumstances, they will be required to pay a \$50 deposit to secure a future appointment.

The cancellation fee is non-refundable, non-transferrable, and due in full at the subsequent treatment date.
